Blue Shaker

Cinder Gray Shaker*
(Special order)

Slim Shaker Cream

Slim Shaker Java

White Shaker

A timeless Shaker-style cabinet featuring clean lines and a soft white finish, designed to suit both modern and traditional interiors.

Gray Shaker

A popular Shaker-style of cabinet in a warm shade of gray, valued for its modern appeal and broad design flexibility.

Unfinished Shaker

A Shaker-style cabinet that is ready for paint or stain, featuring a natural maple finish that highlights authentic wood grain, delivering a clean and organic look.

Sunny Maple

A light maple cabinet finish that highlights natural wood grain, bringing brightness and warmth to any space.

Blue Shaker

A bold blue finish paired with a clean shaker profile creates a striking yet balanced statement.

*Cinder Gray Shaker

A Shaker-style cabinet with a warm gray finish, offering a refined, vintage-inspired look for transitional and classic interiors.

*Special order; Shipping cost may apply

Slim Shaker Cream

A soft cream white finish with warm undertones, offering a subtle, vintage-inspired alternative to pure white.

Slim Shaker Java

Slim Shaker Java features a bold, solid black finish that delivers a sleek and modern statement.

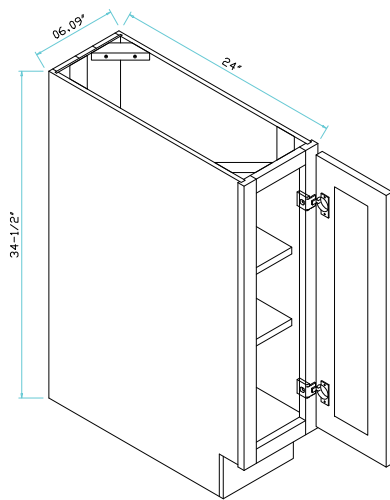

CONFIGURATIONS

Our cabinetry is available in a variety of dimensions and configurations to ensure we meet the unique needs of every space. Please review the following options and select the most suitable combination of SKUs.

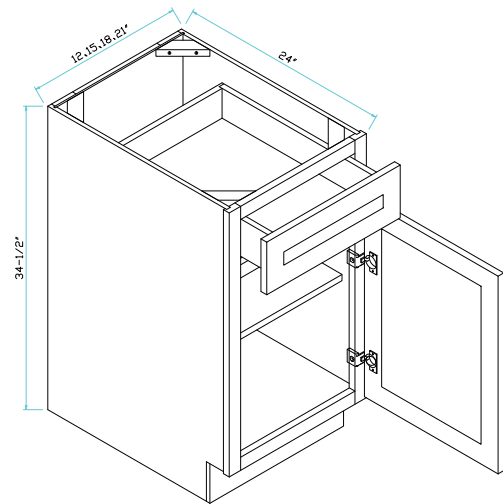

SKU letters indicate cabinet category and configuration, while SKU numbers indicate the width and height in inches.

*B12 is a 12" wide base cabinet;
W1230 is a wall cabinet, 12" wide and 30" in height, and so on.
